

CCS 900 Ultra Discussion System

Safety & Security Systems | BU Communications | Conference | Worldwide | June 2025

End of Life announcement

Scheduled End of Life date

AP Sep 2025
CN Sep 2025

Successor

CCS 1000 D Digital Discussion System

REASON FOR END OF LIFE

- The CCS 900 Ultra Discussion System will be made EOL due to obsolete components. Next to that, increasing market demand for digital technology results in a shift from CCS900 to CCS1000D.

END OF SERVICE

December 31, 2030

REMARKS

- The CCS 1000 D Digital Discussion System is the alternative system for small to medium scale applications. Like CCS 900 Ultra the CCS 1000 D Digital Discussion System is compact, easy-to-set-up, and easy-to-use. In addition it provides more advanced features like automatic camera control.

LIST OF END OF LIFE PRODUCTS

TYPE NUMBER	SAP NUMBER	DESCRIPTION
CCS-D-ID	F.01U.100.373	Discussion device with microphone
CCS-CM-ID	F.01U.100.374	Chair discussion device with microphone
CCS-DS-CN	F.01U.100.375	Discussion device with short microphone
CCS-DL-CN	F.01U.100.376	Discussion device with long microphone
CCS-CMS-CN	F.01U.100.377	Chair discussion device with short mic
CCS-CML-CN	F.01U.100.378	Chair discussion device with long mic
CCS-DS	F.01U.100.590	Discussion device with short microphone
CCS-DL	F.01U.100.591	Discussion device with long microphone
CCS-CMS	F.01U.100.592	Chair discussion device with short mic
CCS-CML	F.01U.100.593	Chair discussion device with long mic
CCS-CU	F.01U.134.980	Control unit
CCS-CU-CN	F.01U.134.988	Control unit
LBB3311/00	F.01U.007.119	Rack mounting set for CCS-CU
LBB3316/00	F.01U.507.661	System installation cable, 100m
LBB3316/05	F.01U.507.663	System extension cable, 5m
LBB3316/10	F.01U.507.664	System extension cable, 10m
