

# CLOSE-TALKING MICROPHONE

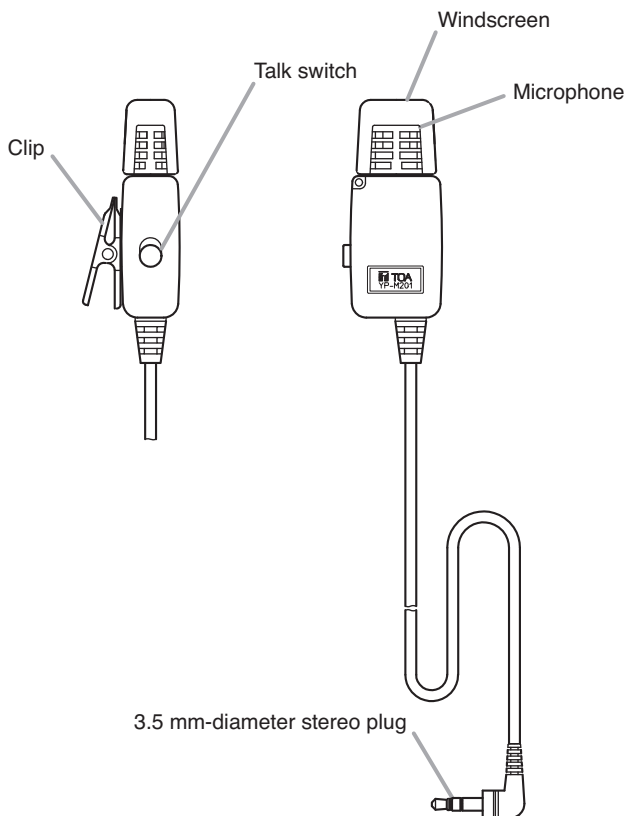

# YP-M201

Thank you for purchasing TOA's Close-Talking Microphone.  
Please carefully follow the instructions in this manual to ensure long, trouble-free use of your equipment.

## 1. GENERAL DESCRIPTION

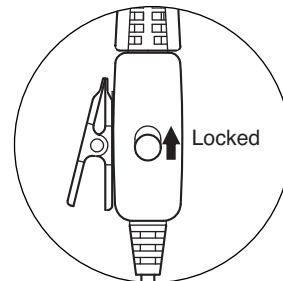

The YP-M201 is a close-talking microphone designed to be exclusively used with an optional WM-1100 Portable Transmitter. This microphone is suitable for use in high noise level areas.

## 2. NOMENCLATURE

## 3. HOW TO USE

- Hold down the talk switch to talk. Releasing the switch turns off the microphone.
- The talk switch can be locked if pressed and shifted upward.

- Because the YP-M201 is a close-talking microphone, use it as close to the mouth as possible.
